BIG GAME FISHING

Embark on a half day or full day fishing expedition. Your day begins with breakfast as we cruise towards deep water. Avid sportsmen then have the chance to fish for tuna, mahi-mahi, jackfish, Wahoo and sailfish. Chilled refreshments and snacks are included. If you do manage to land the ‘big one’ our chefs would be happy to prepare your fresh catch to your liking at dinner the same night!

PRIVATE FISHING

Request a boat, set a time and we will set off to catch some of the Indian Ocean’s finest fish. The recreation team can be equipped to bottom line fish or to search for something a little bigger. If you are lucky enough to catch one our chefs at our restaurant will be delighted to prepare it to your liking for a leisurely lunch or dinner the next day with a fee of US$15 per person.

Four Seasons promotes conservation and the sustainable use of ocean resources. This is why our resident marine biologists have teamed up with the National Oceanic & Atmospheric Administration of North America (NOAA) to conduct a tag and release program for billfish caught in the local area.
SANDBANK PICNIC

A boat trip to an unspoiled and uninhabited Sandbank where you will enjoy a day doing whatever the heart desires. Snorkelling, fishing, or trying to find some dolphin and lounging are just a few suggestions for time on this white Sand Beach surrounded by turquoise water. Of course, a delicious prepared picnic or BBQ will top off this great day of discovering the hidden side of the Maldives. This excursion costs are based on the selected boat and hours required.

*Food of Four Season’s standard doesn’t always need to be enjoyed in the grandeur of our restaurants. A small sliver of sand lost in an azure sea makes a perfect setting for a picnic or a family day out. A speedboat will be on hand should you wish to add snorkelling or fishing to the day’s schedule.*
