Activities

Robert Alexis

An accomplished artist who uses nature to showcase your children's artistic expressions. Aimed at children of all ages, encompassing drawing, painting, pattern/print making and various arts and crafts. Robert will inspire them by highlighting simple and unique ways of looking at nature's gifts and incorporating these talents to reflect the magic and beauty of MAIA.

Maia loves to pamper our VIK. We have put together a great choice of activities for children including games, art projects, sports and aquatic excursions.

Mom and Dad are more than welcome to join, or leave their children with us in a secure environment and enjoy some free time.
