

## THE BVLGARI VILLA

The 540 sqm Bulgari Villa, the biggest on the property, is the very ultimate in luxury and privacy. With its own private beach and a spectacular oval pool, it offers unobstructed ocean views, the perfect spot to enjoy sunset. With an additional 500 sqm garden and wooden decked terrace, reminiscent of the maritime theme, its design is inspired by the Kasbah. With a large courtyard, three bedrooms and an incredible view both inside and out, the villa is perfect for large private gatherings or small corporate events. To ensure everyone is entertained, a 65-inch cinema screen offers a private home cinema experience for adults and children alike. Guests can also link to the adjacent Two-Bedroom Beach View Villa to extend the space yet further. More Arabian inspired than the other villas, the main living area, complete with floor to ceiling windows, has touches of the traditional Arabic majlis, including its warmer colour palette and textures, features such as its antique Italian carpet inspired by more oriental design. The Bulgari Villa is the only villa offering guests a private indoor Jacuzzi, a spa treatment room and hammam.
