

SUPERIOR ROOM

This first category of room is sized at 55sqm. As themed throughout the resort, the very 'Made In Italy' style rooms are light oak paneled, with cream tapestry design to create a light, bright, open space; a true blend of Italian modernity, style and simplicity. High ceilings and large windows ensure rooms maximise the natural light. Rooms are fitted with one king size, or two queen-sized beds, with a bathtub and shower and a private balcony.
