

## TWO-BEDROOM SKYLINE VIEW VILLA

The 250 sqm skyline view villas are the perfect place to behold the magnificent skyline of the city's urban landscape, by day or by night. Looking out to the world's tallest tower, standing above the city's modern architecture, makes the skyline view villas the obvious choice for those with an eye for urban design.

### THREE-BEDROOM SKYLINE VIEW VILLA

One of the largest in the collection, the 315 sqm villas feature a grand entrance foyer. The epitome of luxury, the villa boasts spectacular views across the city's skyline, its night time vistas as much to be beheld as its daytime pleasures. Fitted with a king size bedroom and two twin rooms, the living areas feature full length window frontage with sliding doors opening out to a lush patio area where guests can enjoy outdoor dining by their personal pool, allowing the outdoors to become a second living area.
