## CHEVAL BLANC SPA

---

Cheval Blanc Randheli invites guests on a sensorial journey to an island exclusively dedicated to well-being and relaxation.

The journey begins upon sailing to the idyllic spa island onboard a local dhoni.

Designed to cater to every wish, Guerlain has conceived a wealth of treatments and massages exclusively for Cheval Blanc Randheli. As an introduction or a sweet finale to a day in the sun, the Randheli Sun Ritual prepares the skin for tanning and prolongs its natural glow. The Noonu Atoll's tropical paradise offers underwater diving excursions showcasing the rich fauna and flora surrounding its shores. Expressly conceived for divers, the After-Diving Experience is a soothing treatment that restores muscles from a day underwater.

## CHEVAL BLANC SPA

---

For a unique holistic experience, Guerlain has also created four different sensorial journeys to treat the body and spirit. These journeys evoke a walk through a citrus orchard, a seaside sunset stroll, a journey through the Orient or a promenade through musky woodlands.

The signature facial, body and hair care treatments may be tailored to a single day or scheduled to last through out a stay, for a more profound restorative care.

As a prelude or interlude to treatments, you may also enjoy a private yoga or meditation session in the dedicated pavilions for a momentous pause of relaxation.
