Diving Information

Diving in the Maldives is an amazing experience. So to ensure your enjoyment, comfort and safety, we kindly ask you to read the following information. Maalifushi by COMO Marine Sports Centre requires all divers to hold an international SCUBA diving license and we ask you to show this, along with your logbook, at the Marine Sports Centre before diving. You may have to partake in an orientation dive on the house reef as part of Maldivian diving regulations.

Other Maldivian regulations include:

1. No dive deeper than 30 meters
2. All dives are to be no decompression dives.
3. Open water divers or CMAS 1 star are limited to 20m

Many of the dives in the Maldives involve currents and drift dives, so please listen to the advice and instructions of the guides and dive within your limitations. We want you to enjoy your dives safely.

General

Maalifushi Dive Centre hours are from 08:00 to 18:00. For added safety, we ask all divers to have 24 hours between the last dive and flying. We provide a basket for you to keep your diving and personal equipment in while diving with us. During this time we will take the utmost care of your equipment, but no responsibility for any loss or damage. Please do not leave valuables in the basket, hand them into the Marine Sports Centre, or please leave them in your room. Dive baskets and wetsuits are locked away at night. Wash tank and showers are available for washing of equipment.

Orientation Dive

Conducted at 9:30 and 14:00 daily. All divers require an orientation dive, unless you have proof of more than 30 dives and/or have been diving within the last three months. The orientation dive consists of a dive on the house reef or nearby dive site, with an instructor/guide, who will get you to demonstrate three skills*:

- 1 Regulator recovery and clear
- 2 Mask clearing
- 3 Alternate air source breathing

*After completing these skills, you will be guided around the dive site, being shown the interesting marine life and topography.

Diving Reservations

These can be made at the Marine Sports Centre reception, before 17:30 the day before the scheduled dive. We provide a description and dive map of each dive site to help you with your reservations.

If you are unsure whether you will dive the next day, we recommend you proceed with pre-booking your dive ahead of time. This will allow us to make the necessary preparations and will ensure you avoid disappointment should the boat or diving schedule be full. For cancellation, please contact the Marine Sports Centre before the time of departure. We do not charge for cancellation for diving.

Dive Sites

With around 20 local dive sites, you will have many options to choose from, so please see the descriptions of the dive sites or ask our diving staff for recommendations. We endeavor to match up diving ability to local dive conditions to ensure your safety and enjoyment.

Diving Options

We offer three boat dives a day to a variety of nearby reefs, two house reef dives per day, opportunities for half and full day diving trips by speedboat, night diving and a full range of PADI diving courses from first experience through to certification courses. A lot of the courses are now able to be conducted via e-learning, through the PADI website. To increase learning flexibility and maximize your diving experiences while on Maalifushi, you can complete your theory in the comfort of your own home.

Boat Diving

We have appr. 20 dive sites including our one day safaris around the atoll with travel time ranging between 10 minutes to 45 minutes. We endeavor to cater for all levels and experience, with safety and enjoyment our number one priorities. If you have any questions please ask our helpful instructors.

We ask you to be at the Marine Sports Centre 15 minutes before the dive time to give sufficient time for equipment inspection and pre-dive briefing. Our dives are conducted mainly from a locally made boat called a Dhoni, which provides a pleasant, relaxed atmosphere during the journey to and from the dive sites.

Time: 08:00, 10:00 or 14:00

Water Sport and Excursion Information

Maalifushi by COMO offers a wide range of amazing experiences. We would like you to enjoy all the activities on offer in, on or under the water so kindly read the following information.

General

Maalifushi by COMO Water Sports and Excursion Centre hours are from 9:00 to 18:00. We will stop renting kayaks, windsurfing boards, SUPs and catamarans after 17:30, as sunset is very short in the tropics, and we want to ensure you are back from your fun and activities prior to this.

All activities are taken at the guests' risk. The Water Sports and Excursion Centre holds no responsibility whatsoever for property damage or personal injury, which may occur to the guest during such activities.

Snorkeling Equipment

We offer complimentary usage of snorkeling equipment during your stay with us, so that you may enjoy the amazing marine environment. These are available from the Water Sports and Excursion Centre. When snorkeling, be aware of currents in the water and practice safe swimming by wearing a life jacket, even if you are a capable swimmer. You should always ensure someone knows where you are snorkeling, and your return time. We provide detailed briefing on safety and snorkeling location upon issuing of snorkeling equipment. Kindly return your snorkel equipment until 5.30pm the day before your departure.

Environmental Awareness

We would ask you to be aware of the reef, and marine creatures preserving and protecting them while you enjoy the amazing experience and colour of the underwater world. Always snorkel horizontally, never kicking or standing on the coral reef. Please refrain from collecting or touching shells and marine creatures, as some are highly venomous. Explore the reefs with the marine biologist by joining the Aqua Safari, and learn as you enjoy the snorkel experience.

Marine Biologist Presentation

Spend an evening listening to informative talks once a week at Thila Bar, where marine life, environmental and marine ecosystem topics will be presented. You can ask questions, or just talk about your findings during your time around the island – be it shells, fish, birds or other island creatures – he is happy to assist with identification and how it interacts with the rest of the ecosystem. Our resident Marine Biologist is available to answer any questions you may have during your stay.

Time: 19:00 to 19:30 on Thursday at Thila Bar
