

FIRST ICE RINK IN MALDIVES

Ice Ice Maybe...

Glide across Ice Ice Maybe..., our artificial ice skating rink, and enjoy this tropical winter wonderland in paradise. The first of its kind in the Maldives, the rink offers a truly unique experience to guests as they can step out of the turquoise blue water and into a pair of skates to pirouette around the vistas of powder soft beaches and blue skies all at once.

With a complete size of 170 square metres, guests can watch from the viewing seats or practice their skating routines and play ice hockey on the 87 square metres of ice skating area. Ice Ice Maybe... was ceremonially inaugurated in March 2018 by Olympic Gold Medallist figure skater Evgeni Plushenko who elated the audience with an inspiring performance.

General Information:
