

A tropical beach scene with turquoise water, white sand, and a couple walking in the distance. The sky is a deep blue with some light clouds. In the foreground, the water is a vibrant turquoise color. A white sandy beach runs across the middle ground. On the left side of the beach, there is a white umbrella and two lounge chairs. In the distance, a couple is walking hand-in-hand in the shallow water. The overall atmosphere is serene and romantic.

## DIVING

Since May 2005, Reethi Rah Dive Centre at One&Only Reethi Rah offers guided diving and introductory courses to Maldives visitors. Reethi Rah Dive Centre is certified as a PADI Gold Palm Resort Dive Centre and a 100% Project Aware member, one of the few in Maldives.

Reethi Rah Diving Centre has stuck firmly to its professional philosophy, which inspires so many guests to return year after year. The team consists of professional PADI Instructors, who are all equally passionate divers and dive teachers. Courses are taught from basic scuba demonstrations for the completely uninitiated up to professional level dive master in many languages including English, German, French, Italian, Japanese, Spanish, Portuguese, Russian, and Swedish. Knowledgeable PADI Professionals are ready to guide you on morning two tank, afternoon single, full day or night excursions through the fascinating underwater world of the North Malé Atoll, one of the most beautiful destinations for snorkelling and diving in the Maldives.

## SNORKELLING

Three times a week we will take you on a 'Guided Snorkelling Trip', designed for all levels from beginners to experienced snorkellers. Tropical fish are abundant at this spectacular snorkeling site. Turtles, Reef Sharks and even Napoleons are often a part of our daily excursions. You never know what you'll see! After giving you full snorkelling instructions as well as marine

protection information, our Snorkel Guide will get in the water with you to show you the remarkable marine life below, and teach you how to snorkel if needed. Snorkel locations vary and are selected daily based on ocean conditions.

## SNORKELLING EQUIPMENT

Please stop by the Marine Concierge if you wish to borrow a pair of snorkelling equipment, life vest or an underwater camera.

## ACTIVITIES AND EXCURSIONS

### FISHING

Fishing is one of the most traditional activities in Maldives. For information and reservations on fishing excursions or yacht charters, please contact Marine Concierge.

### SEAPLANE

To discover Maldives by air, go diving to 'remote sites', experience some aerial island hopping by seaplane.

### YACHT CHARTER

A sleek Majesty 56 offers a unique cruise experience, allowing guests to discover the magical islands of the Indian Ocean. Exclusive half-, full-day and overnight charters, as well as sunset cruises and sandbank dinners can be arranged.

# DIVING COURSES

*Thilas, giris, reefs, drop-offs, corners, channels, wrecks – and visibility of up to 50 metres – make our resort a wonderful and safe place to learn to dive in the Maldives.*

## DIVING COURSES

Learn to dive at One&Only Reethi Rah Dive Centre and you will experience some of the world's most beautiful underwater environments whilst gaining internationally recognised PADI certifications through our experienced PADI Instructor team. As a PADI Gold Palm Resort Diving Centre, Reethi Rah Diving Centre can take you from absolute beginner to Dive Master level.

- Bubblemaker (for children of ages 8 – 9)
- Discover Scuba Diving (for ages 10 and above; one day scuba introduction programme)
- Scuba Diver/Open Water Diver Course (from ages 10 and above; entry level scuba courses with certification)

Less time consuming self-studying is done with full range of up to date electronic and standard teaching materials, as well as a friendly and helpful crew of motivated, professional team members who are able to teach in a variety of languages. A medical check is not absolutely necessary, but should be considered if you have any medical conditions that may influence your ability to participate in any PADI Course or programme.

## DIVING AT ONE&ONLY REETHI RAH

Diving is ideal here where the annual average water temperature is 28 degrees Celsius. Although it is possible to dive with swimwear, you will be equipped with a 3-millimetre neoprene wet suit as a thermal protection. With visibility reaching up to 30 metres, you can admire the immense underwater landscapes without restrictions in almost every dive. With over two thousand different species of coral and pelagic fish, every dive is a fascinating experience.

Boat diving is the way to reach our many dive sites where most of them are less than 30 minutes away. We do from advanced diving with strong current to calm relaxed dive sites, drift, wreck and night diving.

Our Diving Centre also offers Nitrox diving up to 40% oxygen. If you are not yet an EAN (enriched air nitrox) diver, one of our Nitrox Instructors can teach you. Try the silent way of diving with a Draeger Dolphin Rebreather Unit. Our specialty instructors can show you how to become a Rebreather Diver.
