Bubble Maker (8 years old+)

Start blowing your first underwater bubbles in the pool or even better, scuba dive to a maximum depth of 2 meters with our diving instructor.

Discover Scuba Diving (10 years old +)

It's time to embark on a new adventure. Have you ever wondered what it's like to breathe underwater? If you want to find out but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving will let you try scuba to see if you like it. You will learn the basics in the classroom and practice a few shallow water skills, then dive to a maximum of 12 meters to some of the most beautiful sites around Mahe

Scuba Diver Course

When you are short on time, the scuba diver course is what you need to get you started. It involves 3 theory sessions + 3 confined water dives and 2 open water dives. The Scuba Diver certification gives you a license to dive to 12 meters under the direct supervision of a PADI Divemaster, Assistant Instructor or Instructor. You can upgrade to open water diver anytime and anywhere in the world with a PADI dive centre.

Open Water Diver (10 years old +)

The open water diver is a 3-4 day course. During the course, you'll make at least five pool dives and four dives at local dive sites under the supervision of your PADI Instructor. You will be trained to dive to 18 meters during the program. Once certified you will be able to dive almost anywhere in the world with just your buddy and friends.

Adventure Diver

The PADI Adventure Diver course helps you get more out of diving by introducing you to new types of scuba diving adventures. Here's your chance, you can sample three dives of your choice, get a taste of what you like, and feel more at ease in the water, strengthening your underwater skills and enjoy scuba diving more than ever.

Advanced Open Water

Exploration, Excitement, Experiences. They're what the PADI Advanced Open Water Diver course is all about. It's designed so you can go straight into it after the PADI Open Water Diver course. You'll hone your skills by completing five adventure dives that introduce you to: underwater navigation, deeper water diving (typically anywhere from 18-30 meters) and a sampler of three more Adventure Dives of your choice.

Emergency First Responder (Only theory)

Take a step toward emergency preparedness and meet PADI Rescue Diver prerequisites with Emergency First Response. As one of the foremost international CPR and first aid training companies, Emergency First Response gives you the confidence to respond to medical emergencies -- not just in the diving world, but in your everyday world with your family, friends, neighbors and coworkers too.

Rescue Diver

"Challenging" and "rewarding" best describe the PADI Rescue Diver course. Building upon what you've already learned, this course expands on what you already know about how to prevent problems, and how to manage them if they occur. Take 3 days to handle several scenarios and come out feeling prepared for anything!

Dive Master

By becoming a PADI Divemaster, you align yourself with the largest and most respected dive tribe in the world—that of PADI Professionals. During the PADI Divemaster program, you learn dive leadership skills through both classroom and independent study. You complete water skills and stamina exercises, as well as training exercises that stretch your ability to organize and solve problems as well as help others improve their scuba.

Specialties Courses

Choose from a wide selection of specialties courses. You can even use 1 dive credit from your Advanced open water course corresponding to the specialty you choose. Each specialties varies, please ask your PADI dive centre for more details.
